November 2026

Christopher Lake Public School Facebook

Like us on Facebook! You can find us by searching, "Christopher Lake Public School". We post important upcoming events and dates, as well as highlighting all the great things our amazing students are doing here at the school.

Progress Conferences

Progress Conferences will take place at CLPS on November 5, from 3:00 p.m. to 8:00 p.m. We look forward to connecting with families to discuss student learning and growth. Conference times can be booked through Edsby. If an in-person meeting is not the best option for your family, please contact your child's teacher to arrange a phone conference.

Book Fair

Get ready for our book fair which is being held November 4th and 5th. On November 4th the book fair will be open only for student viewing in the afternoon. The classes will have a schedule of when they can come and look at the book fair. The students will make a list of items, with prices, that they would like to buy from the book fair. It will be open on November 5th from 3:00pm – 8:00 pm for parent/child shopping time (children must be accompanied by a parent/guardian to shop). We look forward to seeing everyone there!

Co-op Card Fundraiser

We are excited to announce a Co-op Card Fundraiser to help raise funds for the year-end trips for our Grade 4, Grade 5, Grade 6/7 and Grade 7/8 classrooms that will take place **November 9th – 18th**! This is a fantastic fundraiser because **every dollar you contribute comes right back to you!** Co-op cards can be used to purchase groceries, gas, and so much more. It's a great way to support our students while getting something back for your family. If you are a member of our community and would like to participate, please reach out to the school to get involved! We sincerely thank you in advance for your support and for helping make these year-end experiences possible for our students. Every little bit helps!

Remembrance Day Service

Christopher Laker Public School will be holding a Remembrance Day assembly on November 10th at 1:30 pm. We will have Christopher Lake Legion members leading the Colour Party. Parents and community members are welcome to attend.

Playground Update

Last year, thanks to the incredible support of our families, community, and fundraising efforts, we reached our goal for a new playground and were successful in receiving the matching grant. We are excited to see this project become a reality for our students.
We wanted to provide an update on the installation timeline. Due to the high volume of playground projects across the school division, the Facilities Department was unable to complete all planned installations this construction season. As a result, our playground installation has been postponed.

In addition, as you know, Christopher Lake Public School has been approved for a school expansion project. Because the playground installation will need to be coordinated with this construction, the timeline is still being finalized. The playground equipment is expected to arrive in January 2027, but depending on the schedule and location requirements related to the expansion project, the installation may not be completed until August 2027, if construction proceeds as anticipated.

While we know this delay is disappointing, we remain excited about the investment being made in both our playground and school facilities. We will continue to share updates as more information becomes available. Thank you for your patience and ongoing support.

Student Safety: Bus Loading and Unloading Zone

For the safety of all students, it is critical that the bus loading/unloading zone is clear of parked vehicles and traffic at the beginning and end of each day. Please refrain from driving or parking in the bus zone from 7:40 to 8:30 am and from 2:15 – 3:00. The bus zone includes the wheelchair accessible parking spot. Please do not use visitor parking for dropping off and picking up your children. **Also, please do not let your children onto the playground until 7:55 as that is when our supervision schedule starts.**

Parent & Bus Driver Communication

Parents, please contact your bus driver if your child(ren) is not on the bus.

Student Fees

All students from Kindergarten to Grade 8 must pay a $30.00 student fee. This fee will be used to purchase materials that support student learning in the classroom and for class trips. Student fees can be paid online through our KEV cash system, to the classroom teacher or to the secretary in the office/library. Please make cheques payable to Christopher Lake Public School. (Please note: The school will accept fees in monthly installments.)
